OIL CITY, October 9-2:45 P. M. A fire broke out at two o'clock this orning in the vicinity of the Grant well, on Pithole, and all the wells from No. 15 of that paper, which was about to be issued to No 23 were burned. No. 19 is the one which burned a few weeks ago when several lives were lost. The fire is now exwere destroyed. The total loss is not defiport of the fire.

General News.

PITHOLE, October 9.—The most destructive fire that has ever occurred in the oil gions took place here about one o'clock this morning, which fortunately termina-ted without loss of life. The tanks of the largest flowing well on Pithole, known as gine houses on the following leases, were destroyed: Nos. 16, 17, 18, 19, 20 and 23, on the Holmden Farm, and Nos. 2, 4 and 5 on the Morey Farm, covering a surface of five acres. The total loss will reach \$150,000. All the oil belonged to the owners of the land interest and to the United States Petroleum Company of New York. The tanks, buildings and property belonged to the owners of the sured for \$29,000 in the Associated Company of New York.

steamer Tripoli, from New York, arrive on the 25th; the Peruvian, from Quebec on the 25th; the City of London from New York, on the 26th, and the Saxonia

from New York, on the 28th. Highway Robbery. PITHOLE, October 9.—Highway rob eries in this section are becoming of al-

those roads alone. Yesterday Mr. Rock-ford, of Jamestown, N. Y., while on his way to Shaffers, was waylaid and robbed of \$1500 and a gold watch, and left for dead. He is alive but not likely to re-cover. Garroting is almost a nightly oc-currence here, making it unsafe to be out-after dark. Those doing business here are now organizing themselves into a vigilance committee for their own protection, and if any of the parties are caught, lynch law will take its course and no mercy beshown.
